It presents articles around the area of culture, English language teaching and learning, linguistics, and literature. Contents include analysis, studies, applications of theories, research reports, and materials development. It is firstly published in December 2001. Ever since 2005 its manuscripts could be read online through [www.journalcelt.com](http://www.journalcelt.com). By the year 2016, it launched its OJS (Open Journal System) through <https://journal.unika.ac.id/index.php/celt> and from 2017 it is recorded in Crossref's <https://doi.org/10.24167> and in <https://doaj.org/toc/2502-4914>. Based on the decree from *Hasil Akreditasi Jurnal Ilmiah, SK Direktur Jenderal Penguatan Riset dan Pengembangan Kementerian Riset Teknologi, dan Pendidikan Tinggi Republik Indonesia*, No. 30/E/KPT/2018 with regards to the accreditation status of academic journals, dated on 24 October 2018, **Celt** is nationally accredited for the next five years as a Sinta 2 journal.

1. File types: The manuscript submitted to **Celt** should be in 2016 Microsoft Word program, if not then it should be saved in 97-2003 format (.doc or .docx).

2. Manuscript types:

We accept only research report papers that should be within the range of 4,000 – 8,000 words excluding the title, abstract, key words, and references.

3. Plagiarism checker:

Once a manuscript is sent, the editors have the right to scan the manuscripts with a plagiarism checker, such as Turn-it-in, Unicheck, Grammarly, etc.

4. Grammar checker:

Authors are encouraged to do their own grammar check, which can be done through an online grammar software, such as Grammarly.

5. Manuscript format:

The manuscript should be written in academic English language, typewritten in Goudy Old Style 12 font, single spaced. Non-12 font size are used for the title, abstract, header, footer, and text or numbers within tables. The margin should use the normal Microsoft Word margin (1 inches or 2.5cm left, right, top, and bottom). The paper size is B5 or custom size 18.2cm x 25.7cm (see template).

6. Manuscript template:

Authors are encouraged to download the latest manuscript template available from <http://journal.unika.ac.id/index.php/celt> to ensure consistency of the **Celt** manuscript format.

7. Titles, abstract, and keywords:

The manuscript has to have a title, which should reflect the content of the manuscript and may not exceed a total of 15 words. Underneath the title should be an abstract

within the range of 150 – 300 words, which is in English (normal font), followed by an Indonesian abstract underneath (italicized font). Three to five key words should be provided also in English (normal font) and Indonesian (italicized font).

8. Organization:

**Celt** journal receives manuscripts based on a research report that should have sub headings that would normally be under the sections of an Introduction, Literature Review, Methods, Findings, Conclusion, and References. In the references section, **Celt** journal appreciates manuscripts to use the APA style and cite references from previous **Celt** publications.

9. Author(s) contact details:

Author(s) should provide contact details including full name (with titles), emails, institution and home mailing address, and telephone numbers on a separate file for the purpose of anonymous/ double-blind peer-review.

10. Footnote:

In addition to informing who the author(s) of the article is (are), author(s) are advised to use footnotes to add additional information/explanation on a written text or additional readings to support the text. Footnotes are used to have additional information which may disturb the flow of the article if left inside the original article.

11. Citations and References:

Starting from the re-accredited 2014 version, the **Celt** manuscript conforms to the APA style for citation and references. Please refer to APA Publication Manual for reference, which is available at any website. You may also make use of the in-built APA referencing system used by Microsoft computer programs or see the following for samples:

In-Text Citations:

- Paraphrased content examples

Imber-Black (2009) found that dogs can be a source of therapy for sick people.

In support of the idea that the drug industry does have a relationship to psychiatry, Smith's (2008) research show that pharmacists would do annual workshops with psychiatrist.

- Direct Quotes (under 40 words)

Culture is "a system of belief" that includes... (Hall, 2005, p.13).

Hall (2005) states that the "system of belief" in culture is ...

The study shows that research in culture is "a reflection of..." (Smith & Tyler, 2013, para. 8).

On the other hand, Goddard (2014) believes that "the data was unreliable" (Methods section, para. 6).

- Block Quotes (direct quotes over 40 words)

Indent block quotes five spaces or half an inch from the left margin. Do not use quotation marks. Like used in the rest of the paper, APA block quotes should use double spacing. In block quotes, the period goes before the parentheses. This is different from short quotes. An example of a block quotation is as follows:

Upon discussion about the outcome of research, Williamson states that:

Data that is collected from interviews are usually coded first to enable some kind of categorization, which later gives researchers the ability to analyse and present as the outcome. (2008, p. 205)
